## **The School Ethos**

We have a very strong sense of welcome and worship with Christian values and prayer being the centre of school life. We believe that everyone should feel they belong and encourage them to achieve at the highest level. The whole community is committed to “Learning to live and living to learn” which reflects the Christian vision of “Living God’s love”.

## **The School Vision**

We are an inclusive school where we aim to empower our children to learn by providing a stimulating and exciting learning environment in which an inspiring, modern and relevant curriculum is taught, which will enable all children to achieve their full potential, regardless of gender, beliefs or academic ability. We recognise each child as an individual and encourage them to think for themselves, developing independence and flexibility, underpinned by a core set of values, which will prepare them for modern society.

### **As such we aim;**

- To provide exciting and appropriately challenging activities within a broad and balanced curriculum, so that each child is happy, motivated and enabled to achieve his/her full potential.
- To create an environment where children feel respected, safe and valued.
- To provide a caring, secure and inclusive environment that recognises and caters for the needs of pupils, staff and parents.
- To promote a lively, enquiring approach to learning, encouraging self respect, independence and the ability to work co-operatively.
- To maintain a positive approach to behaviour management, encouraging high standards.
- To promote respect for religious and moral values with an understanding of race, religion and culture.
- To promote respect for our own and others’ property and the environment in which we live.
- To achieve these aims through an effective partnership with family and wider community.

### **The School will endeavour to;**

- Provide a safe, welcoming, caring environment for children, thus encouraging learning.
- Provide a balanced curriculum within national guidelines with appropriate learning opportunities.
- Encourage children to give of their best at all times, developing independence and responsibility within the community.
- Encourage parents to be involved in school life and activities.

Inform parents of their child's progress at meetings and by way of an annual written report.

Let parents know about any concerns or problems that affect their child's work or behaviour.

Communicate with parents if there is a problem with attendance or punctuality.

Provide appropriate homework to consolidate or extend school based learning.

Encourage children to show respect for all people, property and the environment.
