## Medium Term Plan

### Maple Class

#### Autumn 1 – Our World

Subject	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6
	Thousands Represent numbers to 10000.	more or less. Number line to 10000 Estimate on a number line to 10000	Roman numerals Round to the nearest 10 and 100.	<b>Addition and subtraction</b> – Add and subtract 1s, 10s, 100s and 1,000s Add two 4 digit numbers no exchange	Subtract 2 four digit numbers no exchange. Subtract 2 four digit numbers one exchange. Subtract 2 four digit numbers more than exchange.	
<b>Science</b> <b>Developing Experts</b>  States of matter	Solid, Liquid or Gas? Compare and group the 3 states of matter  Discuss similarities and differences between the properties of each state of matter.	Explore how particles behave in solids, liquids and gasses  Practical lesson to investigate how substances change state and the temperature at which water changes state.	Investigate melting points  Practical lesson to investigate melting points, make predictions and observe and record the temperature at which food changes state.	Explore freezing and boiling points  Describe freezing and boiling points and create bar charts.	Explore evaporation and condensation  Define evaporation and condensation and practical lesson to investigate the effect of temperature on the rate of evaporation.	Understand the water cycle.  Order the stages of the water cycle and describe it in detail. Use key terms learnt.
<b>Geography</b> <b>Oddizzi</b>  Rivers and the water cycle	Describe the water cycle, explain what a river is and locate the world's longest rivers on a map.	Describe how rivers are used around the world.	Identify the stages and features of a river, and the way that land use changes from the source to the mouth.	Recognise and explain how human activity affects rivers.	Recognise and explain how flooding affects communities.	Identify the key characteristics of one of the world's longest rivers.
<b>Art</b> <b>Kapow</b>  Painting and mixed	To understand how to darken or lighten a colour when mixing paint.	To use tints and shades to give a three-dimensional effect when painting.	To explore how paint can create very different effects.	To consider proportion and composition when planning a still life painting.	To apply knowledge of colour mixing and painting techniques to create a finished piece.	Final piece

## Medium Term Plan

### Maple Class

#### Autumn 1 – Our World

Subject	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6
media: Dark and light						
<b>Computing</b> <b>Kapow</b>  Data handling: Investigating weather  E-Safety	To log data taken from online sources within a spreadsheet.	To design a weather station.	To design an automated machine to respond to sensor data.	To understand how weather forecasts are made.	To use tablets or digital cameras to present weather forecasts.	To use tablets or digital cameras to present weather forecasts.
<b>Music</b> <b>Kapow</b>  Changes in pitch, tempo and dynamics (rivers)	The singing river To sing in two parts using expression and dynamics	The listening river To recognise key elements of music	The repeating river To perform a vocal ostinato	The percussive river To create and perform an ostinato	The performing river To improve and perform a piece of music based around ostinatos	The performing river To improve and perform a piece of music based around ostinatos
<b>French</b> <b>Twinkl</b>  All around town	Where Do You Live? To develop accurate pronunciation and intonation so that others understand when they are reading aloud or using familiar words and phrases, in the context of where people live.	In My Town To listen attentively to spoken language and show understanding by joining in and responding, in the context of describing our town.	Counting in Tens To explore the patterns and sounds of language through songs and rhymes and link the spelling, sound and meaning of words, in the context of counting in tens.	Counting to 100 To explore the patterns and sounds of language through songs and rhymes and link the spelling, sound and meaning of words, in the context of counting to 100.	My Address Is... To present ideas and information orally to a range of audiences, in the context of giving your address.	How Do You Say...? To broaden their vocabulary and develop their ability to understand new words that are introduced into familiar written material, including through using a dictionary, in the context of researching vocabulary in categories.
<b>PE</b> <b>PE Hub</b>	Catch the ball and bring it to the chest to protect	Attempt to shoot using the correct technique	Play in a game using one-to-one marking	Catch the ball and obey footwork rules	Demonstrate quick feet movements to move	Show an understanding of preliminary moves

## Medium Term Plan

### Maple Class

#### Autumn 1 – Our World

Subject	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6
Netball	Play in competitive games scoring goals in a scoring area	Recognise shots can only be taken within the semi-circle  Work as part of a team to get the ball to the shooter in the semi-circle	Recognise the need to stay with the player when marking	Use pivot action once the ball is caught	around the court  Use quick feet in a conditioned game to get away from the opposition  Show quick feet readiness to catch the ball	Find space to get free in a game  Play in netball positions
<b>PE</b> <b>(Premier Sports)</b>  Tag Rugby	Pass and receive the ball with accuracy  Work as a team to attack  Explain the importance of accurate passing	Run with the ball using the correct technique  Receive the ball in a game and use changes of speed to create space  Able to successfully pick up the ball while running	Keep position of the ball in small groups unchallenged  Keep position of the ball and progress up with pitch consistently	Run with the ball and evade being tagged  Able to identify when to run or pass  Change speed when running with the ball	Receive ball and run into space  Receive the ball in a game and use a change of speed to create space	Use different length passes to attack  Use tactics and teamwork to score tries  Suggest ways to improve own and others in a game
<b>RE</b> <b>Understanding Christianity</b>  Creation: How and why do people try to make the world a better place?	To engage with the word 'precious' and its meaning.	To understand the idea that people are precious and unique.	To understand the idea that people are precious and unique.	To explore how Christians show that all are precious to God in their Church Community.	To identify what happens when a baby is welcomed into a religion other than Christianity.	Evaluate children's learning in teacher-led sessions and any relevant aspects of enhanced provision.

## Medium Term Plan

### Maple Class

#### Autumn 1 – Our World

Subject	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6
<b>PSHE</b> <b>Kapow</b> Families and relationships	Respect and manners To develop understanding of courtesy and manners in a range of situations	Healthy friendships To begin to understand the physical and emotional boundaries in friendships	How my behaviour affects others To understand that my behaviour can have an impact on others	Bullying To understand the impact of bullying and the responsibility of bystanders to help	Stereotypes: Gender To explore stereotypes in fictional characters and think about how these might influence us	Stereotypes: Disability To recognise that stereotypes can relate to a number of factors
<b>Enrichment activities</b>					Harvest Festival	Don Rae dance
